ABOUT US

NEKSSOM is a premier provider of eco-friendly paper packaging solutions, backed by decades of industry experience since 2003. Headquartered in Konya-Türkiye, we manufacture and supply millions of custom paper bags, boxes, and promotional packaging each year, serving over 30 export markets worldwide. Our expertise lies in crafting high-quality kraft paper packaging tailored for various sectors, including supermarkets, cafes, restaurants, bakeries, confectioneries, pharmacies, textile stores, and food chains. We pride ourselves on delivering cost-effective, durable solutions with swift turnaround times.

We prioritize quality, affordability, and efficiency, ensuring quick turnaround times to meet the dynamic needs of our clients. With state-of-the-art printing and customization options, we help businesses enhance their brand identity while promoting sustainability. As a trusted partner of leading brands and agencies, we are committed to reducing environmental impact by using responsibly sourced materials and eco-friendly production practices. At NEKSSOM, we don't just supply packaging, we deliver reliability, innovation, and sustainability in every product.

PRODUCTS

WITHOUT HANDLE SOS BAGS

WITHOUT HANDLES SOS BAGS

Nekssom's top production is laminated bags for preserving flour, seeds and other powdered products. Without Handle SOS Paper Bags are versatile and functional packaging solutions commonly used across various sectors, including retail, food service, fashion, electronics, and construction. They are ideal for carrying groceries, confectionery, bakery items, pharmaceuticals, and takeaway food, offering a practical alternative for everyday packaging needs.

DIE CUT BAGS

Die Cut Kraft Bag, combines style and functionality, crafted from eco-friendly natural paper. Its ergonomic design and large capacity make it an environmentally conscious alternative to synthetic bags. Compact for easy storage and shipping, it's widely used across industries such as healthcare, cosmetics, jewelry, e-commerce, technology, retail, and supermarkets.

SELF-SEALED PAPER GIFT

Our printed self-seal paper gift bags are the top choice for luxury brands in cosmetics, jewellery, perfume, gourmet foods, and high-end sports. Available in distinct designs, these bags offer both automated and handmade options, catering to various budgets. They provide an elegant and practical packaging solution for high-quality products, making them ideal for businesses seeking a premium presentation.

CARRIER PAPER BAGS

TWISTED HANDLE PAPER BAGS

Twisted Handle Paper Bags are durable and versatile, making them ideal for various sectors. They are widely used in retail, construction, food service, pharmaceuticals, textiles, footwear, cafés, restaurants, and electronics. Their sturdy design and convenient handles make them suitable for packaging everything from groceries and hardware to apparel, confectionery, and takeaway orders.

FLAT HANDLE PAPER BAGS

Flat Handle Paper Bags are practical and versatile, making them popular across various industries. They are commonly used in retail, food service, construction, coffee shops, pharmacies, bakeries, patisseries, and textile markets for packaging items such as groceries, apparel, confectionery, stationery, and takeaway orders. Their sturdy design and flat handles provide convenience and reliability for everyday use.

LUXURY KRAFT PAPER BAGS

Luxury Kraft paper bags offer a modern, eco-friendly packaging solution that is both minimalist and stylish. Made from 100% recyclable FSC-certified raw pulp paper, these bags showcase the natural color and grain of the material. Their handcrafted design makes them perfect for health food stores, ethical clothing retailers, and environmentally-conscious brands that want to emphasize their commitment to sustainability while providing an elegant, organic option for retail and promotions.

BOX PACKAGES

PIZZA BOX PACKAGES

We manufacture high-quality pizza boxes made from durable, corrugated cardboard to ensure optimal heat retention and protection during delivery. Our pizza boxes are designed with ventilation holes to maintain freshness and prevent soggy.

Custom printing options are available, allowing you to showcase your brand with vibrant logos and designs. Reliable, eco-friendly, and customizable our pizza boxes are the perfect packaging solution for your pizzeria.

CUSTOM BOX PACKAGES

Box packs are versatile, sturdy, and elegant packaging solutions designed to provide both protection and style. Ideal for a wide range of products, from gifts to luxury items, they offer a premium presentation. Available in various shapes, sizes, and designs, box packs can be customized to suit different branding needs. Whether for retail or corporate use, they ensure your products are presented in an upscale, secure, and professional manner.

ENVELOPE & OTHERS

ENVELOPE

Envelope paper bags are a sleek and stylish packaging option perfect for a range of products, from documents to small gifts. These bags offer a sophisticated alternative to traditional packaging, providing a compact and professional presentation. Available in various sizes, they cater to different needs and are an excellent choice for businesses looking to offer a premium, environmentally-friendly solution.
